# **CRIMINAL PROPERTY AND PREDICATE OFFENSES**

## **EXPLOITATION OF PROSTITUTION - CAUSING OR INCITING PROSTITUTION FOR GAIN: SECTION 52 SEXUAL OFFENCES ACT 2003**

Under Section 52(1) A person commits an offence if:

- a) He intentionally causes or incites another person to become a prostitute in any part of the world, and
- b) He does so for or in the expectation of gain for himself or third party.

## **CONTROLLING PROSTITUTION FOR GAIN: SECTION 53 SEXUAL OFFENCES ACT 2003**

Under Section 53(1) A person commits an offence if:

- a) He intentionally controls any of the activities of another person relating to that person's prostitution in any part of the world, and
- b) He does so for or in the expectation of gain for himself or a third party.

'Gain' is defined in Section 54(1) as:

Any financial advantage, including the discharge of an obligation to pay or the provision of goods or services (including sexual services) gratuitously or at a discount; or

The goodwill of any person which is or appears likely, in time, to bring financial advantage.

'Prostitute' is defined in Section 54(2) as:

"A person (A) who, on at least one occasion and whether or not compelled to do so, offers or provides sexual services to another person in return for payment or a promise of payment to A or a third person; and 'prostitution' is to be interpreted accordingly."

'Control' includes, but is not limited to, 'compulsion', 'coercion' and 'force'. It is enough that the person acted under the instructions or directions of the Defendant.

## **TRAFFICKING FOR SEXUAL EXPLOITATION: SECTION 2 MODERN SLAVERY ACT 2015**

Section 2 of the Modern Slavery Act 2015 creates an offence of arranging or facilitating the travel of another person for the purposes of sexual exploitation. A person commits an offence if he arranges or facilitates the victim's travel by recruiting them, transporting or transferring them, or harbouring or receiving them, with a view to the victim being exploited in any part of the world. For these purposes, exploitation involves the commission of an offence under Part 1 of the Sexual Offences Act 2003, or section 1(1)(a) Protection of Children Act 1978. It therefore captures all sexual offences including exploitation of prostitution.

Olivia Molina Avellaneda admitting she dates married men

194 views Jan 14, 2022 In this video, she complains that her ex-boyfriend, who is married to another woman, scammed her out of promised money.

# KNOWLEDGE OF PROSTITUTION ENTERPRISE

Transcript: "Alright, I'm gonna wait for people to come in and then I'm going to tell you a story and I want your opinion if I'm right, or he's right, or this guy is just stealing my money and he's not planning to give me the money anymore. So I'm going to wait a little and I'm going to tell you a story.

**It's a story about a guy that is called [REDACTED], he's French and Tunisian, he was married, he's married, he's getting divorced because of me, its my fault. No, its not my fault, he was already a cheater, he was my ex-boyfriend and I gave him, we made a deal three years ago, I needed money in my bank account to do something – I don't remember what – so I told him "Can you buy me five bitcoins and you transfer me the money to me account."** [Note to reader: she means "buy from me"]

So I sent him five bitcoin, at that time bitcoin was 12,500 dollars and he was supposed to send me \$50,000 three years ago in 2019. ..saying that he was always putting an excuse, he never sent that money and I've been asking years, for like three years, every month "When are you gonna send me the money, when are you gonna send me the money?"

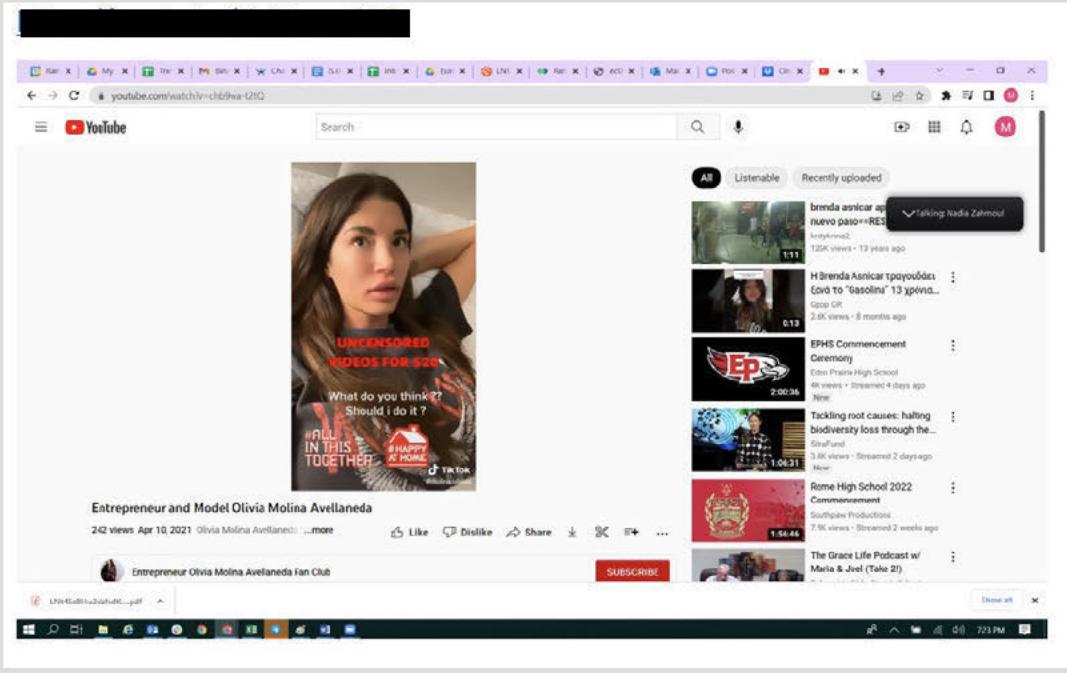

Now its been three years, bitcoin is \$43,00 and he is saying some excuse like " I can't send you the money because of my divorce and they control my accounts blah, blah, blah and now he's saying give me an address of a stable crypto coin and I will transfer you \$60,000 in whatever coin you choose."

No, I sold you the bitcoin three years ago because I want the cash not because I want a coin! If I wanted a coin would just do the trade right away and then. And he's refusing to give me either cash or give me five bitcoin. So who is right? Or am I an idiot that I give somebody five bitcoing and make your money in three years and then pay me whenever you can? Pay me in fifty years, I give you five bitcoin and you're a billionaire, I mean F\*\*\* You!

So who's right? So [REDACTED] F\*\*\* You, yes! **And let me tell you, [REDACTED] is the brain behind my business, and everybody knows what business I do. He is the brain, he was the mastermind behind everything!** [Emphasis Added]

Uhum, Love you [REDACTED]
