Dear S. Nagita,

Thank you for your email.

I would like to clarify the point you raised regarding the “decision” being challenged.

**1. This claim challenges an administrative omission, not a written decision**

Under **s.31(2)(a) Senior Courts Act 1981**, **administrative omissions and failures to act** are fully justiciable in Judicial Review and **do not generate a written decision document**.

The act being challenged in Section 3.1 of N461 is a **single justiciable unlawful omission**, namely:

**“The failure of HMCTS/MoJ to perform their statutory duties under the Autism Act 2009, Equality Act 2010, and PSED during my court proceedings and in handling evidence.”**

This is a **single continuing administrative failure**, falling squarely within **public-law reviewable acts**, not multiple separate decisions.

**2. Why Section 3.2 has no “decision date”**

A failure to act **does not have a decision letter** and **does not have a single dated decision**.

This is standard in cases involving:

- failure to safeguard a vulnerable litigant
- failure to comply with Equality Act duties

- failure to follow statutory guidance
- administrative refusals or omissions
- failure to log/respond/escalate evidence

Courts routinely accept JR claims where the challenged act is an **ongoing omission** (e.g., *R (Coughlan)*, *R (Luton)*, *R (Plantagenet Alliance)*, *R (Rowley)*).

### **3. The “one decision rule” is already complied with**

The claim does **not** challenge multiple decisions.

It challenges **one continuing public-law failure** by HMCTS/MoJ, precisely as drafted in Section 3:

#### **The single public-law act under challenge**

**“The ongoing administrative omissions by HMCTS/MoJ to carry out statutory duties owed to a disabled court user under the Autism Act, Equality Act and PSED.”**

That is **one decision** for JR purposes:

*A single, continuing failure to act lawfully.*

### **4. If the Court requires a sentence added to Section 3.2**

I can amend Section 3.2 to state:

**3.2 “The decision challenged is an ongoing administrative omission, continuing throughout the period March 2023–present, and therefore has no single decision letter or decision date.”**

If the Court would like this wording submitted formally, I will provide it immediately.

## **5. Confirmation of next step**

Given the urgency of the claim, the medical evidence already filed, and the Court’s PSED duties, I respectfully expect confirmation **today** that the claim will now be processed without further delay and placed before a judge for urgent consideration. My N463 has been pending since 25 November. Any further procedural obstruction or repeated requests for documents that have already been supplied would pose a serious safeguarding risk.

Please therefore confirm **today** that the claim will proceed and that no further requirements remain outstanding at this stage.

Yours faithfully,

**Nadia Zahmoul**

Good morning,

I have taken over dealing with this inbox and have reviewed the application that was submitted yesterday. We have not been able to process this application for the following reasons.

- It is unclear what decision you are attempting to challenge as we have not been able to locate a decision document. You have noted in section 3.1 that you are challenging several decisions, please note that the court can only deal with one decision at a time and you must note the date of the decision being challenged in section 3.2 and also provide a copy of that decision from the defendant ensuring it is the same date as you have noted in section 3.2.

Please provide a response at your earliest convenience to avoid further delays.

Kind regards,

S. Nagita \*\*OFFICIAL\*\*

Dear Administrative Court,

Further to your email of 28 November, I now resubmit the **fully ACO-compliant consolidated bundle** for my Judicial Review claim (N461) together with the urgent application for expedition (N463).

The bundle is now presented as a **single paginated PDF including:**

- Full Index
- N461 Claim Form + continuation sheets
- N463 Urgent Application + continuation sheets
- Detailed Grounds
- Witness Statement (WS1)
- Exhibits A–D
- Medical evidence (including the signed report from Dr Bruce Hayse)
- Draft Order
- Authorities

This addresses every point raised in your guidance, including the requirement for a single document, pagination, and inclusion of both applications within one bundle.

### **Medical urgency — Equality Act and PSED duties engaged**

As the Court is aware, I am a vulnerable litigant with Autism Spectrum Condition and PTSD.

My treating physician, **Dr Bruce Hayse**, has confirmed in his signed medical report that:

- I am at acute medical and psychiatric risk,
- delays in the Court process are materially worsening my condition, and
- urgent judicial action is required to prevent clinical deterioration.

I was hospitalised this weekend with acute abdominal pain directly linked to stress.

The Court owes duties under:

- **Equality Act 2010 (ss.20–21)**,
- **Public Sector Equality Duty (s.149)**, and
- **the Overriding Objective**

to ensure that my applications are processed promptly and safely.

### **Urgent Request**

Given that:

- the N463 application has been pending since 25 November,
- the Defendants were properly served,
- and the complete ACO-compliant bundle is now filed,

I respectfully request that the Court:

1. **Confirm sealing of the claim today**,
2. **Issue a case reference number**, and
3. **Place the N463 before a judge immediately** for urgent consideration.

Any further delay would present a significant, medically-documented safeguarding risk.

I would be grateful for confirmation as soon as possible.

Yours faithfully,

**Subject:** FW: URGENT: Filing of N461 Judicial Review Bundle — Request for Immediate Sealing & Judicial Consideration/URGENT – Request for Case Reference Number (N461 JR Claim – Zahmoul v MoJ & HMCTS)

Dear Administrative Court General Office,

I write further to my urgent filing today of an ACO-compliant N461 Judicial Review bundle in **Zahmoul v Ministry of Justice & HMCTS**, and to my email to Case Progression requesting a case reference number.

I have been informed that no assistance can be provided by Case Progression until a case reference number has been allocated, and that I must therefore contact the General Office.

Accordingly, I respectfully request that:

1. A **case reference number** for my N461 Judicial Review claim be allocated **as a matter of urgency**; and
2. Confirmation be provided that my N461 bundle (sent today under the subject line “N461 Urgent Bundle – Zahmoul v MoJ & HMCTS”) has been **received and accepted for issue**.

This matter is medically urgent. My treating physician, **Dr Bruce Hayse**, has provided a signed report confirming that I am in a clinically fragile psychiatric state and that delay in the Court process creates a **significant safeguarding risk**. I am a **disabled litigant** (Autism and PTSD), and the Court’s duties under the **Equality Act 2010** and the **Public Sector Equality Duty (s.149)** are therefore engaged.

I am acting as a **litigant in person** and do not have the financial means to obtain legal representation. I have done everything I can to comply with the Administrative Court’s requirements and to provide a single, court-ready N461 bundle.

For these reasons, I would be very grateful if a case reference number could be issued **today**, and if my claim could then be progressed to case progression for urgent consideration alongside my N463 application.

Yours faithfully,

**Nadia Zahmoul**

**Subject:** Re: URGENT: Filing of N461 Judicial Review Bundle — Request for Immediate Sealing & Judicial Consideration

Dear Administrative Court,

Further to your email requesting an **ACO-compliant single-PDF bundle**, I now resubmit the entire Judicial Review application in one consolidated document:

**Attachment:** *N461 Urgent Bundle – 28 November 2025 (single PDF)*

This document contains:

- N461 Claim Form (with continuation sheets)
- Detailed Statement of Facts
- Detailed Grounds
- Witness Statement and Exhibits
- Draft Order
- Signed medical evidence from my treating physician, Dr. Bruce Hayse
- All supporting materials in the correct order

I confirm that this is a **single, unified, ACO-compliant** PDF as requested.

## **1. Medical Emergency — Urgent Judicial Action Required Today**

My treating physician, **Dr Bruce Hayse**, has submitted a **signed clinical report** (included within the PDF bundle) confirming:

- I am currently in a **severe psychiatric crisis**

- My stability **depends on timely judicial action**
- Any delay **significantly increases the risk of hospitalisation**
- The matter must be treated as **urgent for safeguarding reasons**

This places the Court under statutory duties engaged by:

- **Equality Act 2010, ss.20–21 (reasonable adjustments)**
- **Equality Act 2010, s.149 (Public Sector Equality Duty)**
- **The overriding objective**, particularly protections for vulnerable litigants
- **Administrative Court disability guidance**

Given the seriousness of my condition, I **respectfully request sealing and judicial consideration today.**

Waiting until Monday would contradict the medical evidence and expose me to significant and documented clinical risk.

## **2. I am a litigant in person with no access to legal representation**

I respectfully reiterate that I cannot obtain legal advice due to financial constraints.

Your request that I “seek legal advice” cannot act as a barrier to my right to access the Administrative Court.

I have now:

- Complied fully with PD 54A
- Provided the N461
- Provided the N463
- Filed every required continuation sheet

- Assembled the bundle exactly as requested, in one coherent PDF
- Served the Defendants
- Provided urgent medical evidence

### **3. Request for Immediate Action**

Given:

- the medically urgent situation,
- the ACO-compliant bundle now filed,
- the fact that the N463 has been pending since **25 November**,
- and the statutory duties engaged,

I respectfully request:

**(1) Sealing of the N461 today**

**(2) Immediate referral of the N463 to a judge today**

**(3) Confirmation of urgent listing**

I would be grateful for written confirmation of receipt, acceptance, and sealing.

Thank you for your attention to this urgent and medically fragile matter.

Yours faithfully,

**Subject:** URGENT: Filing of N461 Judicial Review Bundle — Request for Immediate Sealing & Judicial Consideration

Dear Administrative Court,

I write as a litigant in person without access to legal representation, and in extremely urgent medical circumstances, to file the complete N461 Judicial Review bundle as directed.

Please find attached:

1. N461 Claim Form (with continuation sheets)
2. Full N461 Bundle — including Detailed Grounds, WS, and exhibits
3. Signed medical report from Dr Bruce Hayse confirming clinical crisis and the need for urgent judicial intervention

## **1. Why this must be sealed and listed today**

Your earlier emails indicated that an N463 cannot be considered unless accompanied by a full N461.

I have now complied fully and precisely with the requirements of PD 54A.

Given that:

- the N463 urgent application was filed on 25 November,
- the Defendants have been properly served,
- and the full N461 bundle is now filed,

I respectfully request that the claim be sealed today and immediately placed before a judge for urgent consideration pursuant to:

- PD 54A,
- s.31A Senior Courts Act,
- and the overriding objective, particularly for vulnerable court users.

## 2. Medical urgency — exceptional vulnerability (clinical evidence attached)

My treating physician, Dr Bruce Hayse, has issued a signed medical report confirming:  
I am in a severe state of psychiatric risk,

- my stability depends on the certainty and timing of the Court's process,
- and that this matter must be expedited for safeguarding reasons,
- and he specifically warns that hospitalisation may be required absent timely judicial action.

This must be treated as exceptional vulnerability under:

- the Equality Act 2010,
- the Public Sector Equality Duty,
- and the Court's duty to provide reasonable adjustments.

### **3. I am a litigant in person — I cannot afford legal advice**

Your previous message stated:

“Please seek legal advice.”

I wish to clarify respectfully that:

- I do not have the financial means to obtain legal representation;
- I am acting entirely as a litigant in person;
- and the Administrative Court Guide expressly anticipates, and protects, LiPs;
- the requirement to “seek legal advice” cannot be a condition of access to the Court.

I have now followed every procedural instruction and provided the materials the Court indicated were required.

### **4. Request**

In light of:

- the urgent medical evidence,
- the statutory disability duties owed,
- the fact that all procedural documents are now filed,
- and the fact that the N463 urgent application has been pending for three days,

I respectfully request that the Court:

**(1) Seal the N461 claim today**

**(2) Refer the N463 to a judge immediately, today**

**(3) Confirm listing for an urgent oral consideration**

(as requested in Section 3 of N463)

**Please confirm receipt and sealing at your earliest opportunity.**

Yours faithfully,
