Dear Sir or Madam,

I write further to my **Pre-Action Protocol Letter dated 20 October 2025**, which has not yet been acknowledged.

The attached **Follow-Up Letter (21 October 2025)** sets out in detail the unlawful **revocation of participation measures** under **FPR Part 3A**, the **procedural bias**, and the **systematic suppression of evidence of my Autism and PTSD** in *DH v RH (No 3)* [2024] EWFC 79 and *DH v RH (No 4)* [2024] EWFC 114.

The findings in those judgments—particularly paragraph 64 and paragraph 10(xi)—are **unsupported by the oral evidence**, contradict the record of twenty-two references to vulnerability during trial, and breach duties under **FPR Part 3A, PD 3AA, ss 20 & 29 Equality Act 2010**, and **Articles 6 & 14 ECHR**. These omissions deprived me of a fair hearing and led to discriminatory findings now on the public record.

This issue is a matter of **national public interest** and **institutional accountability**. I therefore request that the **Ministry of Justice** and **HM Courts & Tribunals Service** respond within **13 days**, confirming what steps will now be taken to:

- acknowledge the procedural and equality breaches;
- investigate the unlawful withdrawal of participation measures post-trial; and
- establish an **independent enforcement mechanism** ensuring continuing compliance with FPR 3A after the conclusion of trial.

For clarity, I have re-attached the **original Pre-Action Protocol Letter (20 October 2025)** and the **Application Bundle (CA-2024-001342)**, as several of today's recipients were not included in the earlier circulation.

Sincerely,

Nadia Zahmoul
