Dear Robert and Ricardo,

I hope you are well and had great Easter holiday.

The trial finished on 28 February 2024 and the judgement is reserved.

I have material new information which came to light during the course of the ten-day trial and immediately following the trial.

I have uploaded a substantial amount of new material to the shared Box drive and will be adding more documents over the next few days.

As you know, Mr. Zahmoul is on the Board of Directors of Oxus Acquisition Corp. The SPAC completed its business combination with Borealis on 7th February 2024 and the new company was launched on Nasdaq under the ticker symbol BRLS. The majority owner and chairman of the board is Kenes Rakishev.

The documents I uploaded include proprietary information, open-source information, a timeline, and a power-point presentation.

Mr. Zahmoul is involved in money laundering for Kenes Rakishev, not only through the SPAC but also through other special purpose vehicles. Mr. Zahmoul is potentially using his London-based financial firm, Emviry Ltd, to facilitate investments on behalf of Rakishev, including cryptocurrency investments through his institutional relationship with Forte Securities.

Rakishev is acting as a proxy for Ramzan Kadyrov (Chechen leader, sanctioned) and for prominent Kazakh oligarchs.

Rakishev is a close friend of Hunter Biden and is cited in the House of Representatives's memorandum on the "*Biden Influence Peddling Schemes*" for making a payment of \$142,300 to Hunter Biden for the purchase of a car.

The information uploaded relates to the following matters:

- OFAC Ukraine sanctions
- Access to capital markets for sanctioned entities.
- Money laundering on behalf of kleptocrats.
- Interference with 2024 US elections.

I have been advised to send the information to DOJ's recently launched "**KleptoCapture Task Force**" and I was given two contact names.

I also have a direct introduction to Hunter Biden through a very close friend. However, Monica has strongly recommended that I hold off and don't do anything

until I hear from you.

I will continue to upload the new material over the next few days. Monica and I are available to speak at your convenience to discuss the new material.

With my kind wishes,
Nadia
