Dear Administrative Court Office,
Dear Secretary of State for Justice,
Dear Chair, Justice Committee,
Dear Chair, Autism Act Committee,

I write as the Claimant in **Zahmoul v Secretary of State for Justice & HMCTS** (Administrative Court reference AC-2025-LON-004293).

Further to the Court's Order dated 4 December 2025, I have today filed my Reconsideration Submission and supporting materials. The submission responds directly to the three issues identified in the Order and places before the Court the relevant statutory duties under the **Autism Act 2009, Equality Act 2010, the Public Sector Equality Duty**, and the findings of the **House of Lords Select Committee** on the Autism Act in its recent report **Time to Deliver** (HL Paper 205, 23 November 2025).

The Committee's report identifies systemic deficiencies in **accountability, safeguarding, and mechanisms for autistic people to raise and escalate concerns**. These same deficiencies are directly engaged in this Judicial Review, which concerns the ongoing failure to maintain **participation measures for autism and PTSD**, the absence of any **equality-compliant adjustments**, and the **systemic non-engagement** with repeated safeguarding disclosures.

Because I am an autistic, vulnerable person with PTSD, a serious chronic auto-immune disorder, complex co-occurring mental health difficulties, and I am unrepresented, in order to ensure **transparency, continuity, truth, and accuracy** in these proceedings, I have created a **public, immutable, timestamped repository** containing all the official documents and evidence related to this Judicial Review and underlying court proceedings, updated on a daily basis.

Public Repository (official documents):

Filed today with the Administrative Court:

- Reconsideration Submission and Appendix (House of Lords Summary Report)
- Skeleton Argument
- Safeguarding Annex
- Exhibit Pack (E31–E40), including participation-failure correspondence, PAP and escalation materials, medical and autism evidence.

Kind regards,

Nadia Zahmoul
